Supreme Court, Appellate Division, Third Department, New York

In the Matter of the Claim of James CIRAMI, Respondent,  
v.  
JUDLAU CONTRACTING, Appellant,

WORKERS' COMPENSATION BOARD, Respondent.

March 11, 2021

Facts: The carrier filed a request for Full Board Review from the Board Panel's finding that it was responsible for the claim. However, the RB-89.2 was not completed correctly, and review was denied. The carrier appealed.

Holding: *Affirmed.*

Discussion: The Board is charged with making reasonable rules and regulations for parties appearing before it. Inasmuch as the carrier failed to properly complete the form, the Board was within its discretion to deny review.
